cable approx. 100 cm
Tapestry needle
Scissors
1 large button
Crochet hook 7 mm for fringing

Tension:
Knitted in st st using 2 stands of yarn on
12 mm & 8 mm needles.
10 sts x 10 rows = 10 cm x 10 cm

Abbreviations:
k - knit
rem - remaining
st st - stocking stitch
st(s) - stitch(es)

Pattern Notes:
The garment is knitted using 2 stands of
yarn together (1 Serina and 1 Nikkim)
The Waistcoat is knitted by using a
12 mm tip on one side and a 8 mm tip on
the other side.
Create neat sides by not knitting the
last st of each row but transferring it to
the needle with yarn in front, then after
turning the piece and starting the next
row pull the yarn from the back through
the loop.
The row knitted with the big tip is knitted “crossed” (stitch into the back of
the stitch instead of front), the back row done with the smaller tip is knitted in pattern or
straight using front of the stitch.

Pattern:
Row 1: K using needle 12 mm, crossing
the stitches by knitting back of the stitch
Row 2: K 2 sts, * double yarn over, pass
1 st, k 2 sts together slip the passed st
over, double yarn over, k 1 st * repeat
between *, end on knit 1 st. (8 mm
needle tip).
Row 3: Same as 1st row. Out of each
double yarn over knit 1 st crossed creat-
ing a loose lace (12 mm tip).
Row 4: K in st st on 8 mm tip.

Back:
Cast on 47 sts.
Knit first row with small tip “crossed” as
described above. This is done only when
casting on sts not having too loose
end, after this all rows knitted with the
small tip are done straight/in pattern knitting
front of stitch.

Work the pattern 18 times (72 rows). Last
row, knit 15 sts, cast off 17 sts loosely,
knit 15 sts. Leave on different needle.

Front right:
Cast on 27 sts.
Knit first row with small tip “crossed” as
described above. This is done only when
casting on sts not having too loose
end, after this all rows knitted with the
small tip are done straight/in pattern knitting
front of stitch.

Work the pattern 12 times (48 rows).
Carry on working in pattern, but every
time you work a front row (on big tip), at
the end of the row knit 2 sts together (for
neckline) until you have 15 sts left.
Once you have worked the pattern 18
times altogether, leave sts on different
needle.

Front left:
Cast on 27 sts.
Knit as for front right until the pattern has
been repeated 12 times.

Carry on working in pattern, but every
time you work a back row (on small tip), at
the end of the row knit 2 sts together
(for neckline) until you have 15 sts left.
Once you have worked the pattern 18
times altogether, leave sts on different
needle.

To make up:
Now line up both front and back
outside of garment facing each other.

Loosely 3-needle cast-off 15 sts, both
sides (shoulder seam).

Sew the side seams leaving about 20-23
cm for the armhole.
Weave in ends.
Fix the button at the same height your
neckline recline starts.

For the fringing, cut 38 cm strands of both
materials. For each tassel, you need 3
strands (2/1 alternating). Using the cro-
chet hook, tie 54 tassels evenly spaced
around the bottom of the garment.
