

A woman with long dark hair is shown from the waist up, wearing a black turtleneck sweater and a white macramé shoulder wrap. The wrap features a complex geometric knot pattern and long, thin fringe hanging from the bottom. She is standing in a rustic, textured environment with a weathered wall and some greenery in the background. The lighting is soft and natural.

Pattern Notes:
 Knit using 2 strands of yarn together.
 The Shoulder Wrap is knitted by using a
 12mm tip on one side and a 8mm tip on
 the other side.
 The row knitted with the big tip is knit-
 ted "crossed" (stitch into the back of the
 stitch instead of front), the back row done

with the smaller tip is knitted straight us-
 ing front of the stitch, lace pattern is done
 in these rows.

Row 1: K on 12mm needle (front side of
 garment) crossing the sts. (see above)
Row 2: K 2 sts, *k 1st, double yarn over,
 slip one stitch as if to knit, knit two sts
 together, pass the slipped st over, double
 yarn over* on needle 8mm. Repeat sts
 between *-*, end on knit 3 sts.
Row 3: Knit on 12mm needle crossing
 the sts only knitting 1 st out of each
 double yarn over loops, to create a
 loose lace.

Stretched garter stitch:
 The row knitted with the big tip is knit-
 ted "crossed" (stitch into the back of
 the stitch instead of front), the back
 row done with the smaller tip is knitted
 straight using front of the stitch, creating
 a "stretched" garter stitch.
 The Wrap is started at the bottom tip of
 the triangle.

To make:
 Cast on 3 sts on big tip.
 Knit first row with small tip "crossed" as
 described above. This is done only when
 casting on sts to not have a too loose
 end. At the beginning and end of each
 row, knit 2 sts out of one by stitching
 into the front, pulling the yarn through
 and then stitching into the back pulling
 another stitch through before letting it slip
 off the needle. Per row this adds two sts.
 Work 2 rows getting to 7 sts, in third row
 start lace pattern:
 Beginning of row add 1 sts as described,
 knit 1 st (3 sts on right needle), double

yarn over, slip one st as if to knit, knit 2
 sts together, pass slipped st over, double
 yarn over, knit 1 st, knit 2 sts out of last
 st (9 sts), next row knit crossed on big tip
 also adding at the beg and end knitting
 just 1 st out of each double yarn over (11
 sts). Carry on exactly the same. By add-
 ing 2 sts each side every 2 rows the lace
 pattern will be off-set by 2 sts and one
 pattern will be added every 2 rows.

At 123 sts carry on in *stretched garter
 stitch* for 10 rows/ 5 ribs (157 sts on
 needle). Cast off all sts very loosely.
 Finish with fringing.
 Cut 30cm ends. For each fringe, use
 3 strands and fix to both sides of the
 triangle.
 Weave in ends.
