Finishing:

After joining body panels and sleeves

If the sleeves are too loose around
the wrist one can tighten them by
crocheting one row around the cuff
and skipping one or two stitches.
(The sleeves are extra-long and are
meant to bunch around the wrist).

Row 1:

Using a 6mm crochet hook, on
front panel crochet 5 treble sts beg
5 sts from the side join, crochet
75 treble sts along the edge of the
back hem, crochet 5 treble along
front hem. Turn.

Row 2:

Make evenly spaced treble crochet
st all around back and front.

Row 3:

Double crochet all around front and
back.
